I. You will see a fragment from a movie about two young women, Mary Jackson and Katherine Goble. For questions 1-5, choose the right answer (A, B, C or D). 10 points

1. What do Mary and her husband Levi disagree upon?
A) the gravity of the incident presented on TV
B) the amount of time children should spend watching TV
C) the necessity for their children to see the incident on TV
D) the truthfulness of the witnesses on TV
2. What does the Judge tell Mary Jackson about the state of Virginia?
A) It still follows its own laws on segregation.
B) He disagrees with the outdated laws enforced by it.
C) The Supreme Court will soon write new laws for it.
D) Its laws do not regulate school attendance in any way.
3. Which of the following is **not** a first for the Judge?
A) him being the first marine soldier in his family
B) him being the first in his family to marry a Black woman
C) him being the first judge serving three governors
D) him being the first in his family to attend Law School
4. What does Mary imply in her speech to the Judge?
A) One day she will be the first woman to go into space.
B) The judge's ruling in her case will have historical importance.
C) She would change the colour of her skin if it meant becoming an astronaut.
D) Her attending high school will improve a lot her family's social status.
5. What is Paul Stafford's opinion of Katherine Goble?
A) He has too much respect for her intelligence to let her do some trivial work.
B) He thinks her able to do difficult calculations for any space mission.
C) He considers her little more than a living calculating machine.
D) He disregards her because her intelligence is no match to his.

II. Starting from the movie fragment, write an **article for an international teen magazine raising awareness on the issue of discrimination in today's society and how this can be overcome. Write your article in 250-280 words.**
