PERSONAL LIST OF NEEDS AND WANTS

MY NEEDS	MY WANTS

1. The teacher asks students what they *need* in order to survive. Then, the teacher asks SS what they *want* in order to be happy and content. The teacher introduces the terms NEEDS and WANTS.
2. In pairs, SS solve a first worksheet – they decide which of the items in the table are *needs* and which are *wants (desires)*.
3. SS are asked to watch a short video and deduce the DEFINITIONS of NEEDS and WANTS. Then, in pairs, they check their previous answers on the worksheet. Ss report to class.
4. Individually, they make their own list of needs and wants and present it to their classmates.
